Baby Bottle Project reminder: Just a reminder the LWML baby bottle project for the Pregnancy Resource Center in Champaign lasts for one more week. Please return your bottles to the church by next Sunday, Father's Day. Thank you to all who donated and to Deb Martin for coordinating this worthwhile event.

Additional Announcements

Vial of Life - The Vial of Life, sponsored by the Community Parish Nurse Program, is designed to help emergency personnel provide the best possible care and quickest response time. Senior citizens, people who live alone and anyone with a chronic illness can benefit from the Vial of Life. This includes anyone with diabetes, epilepsy, kidney disease, heart disease or any other illness where emergency care may be necessary. This Vial is a container that holds important medical information such as a list of medicines, allergies, and special needs. It may also contain a copy of a living will and contact names and phone numbers. It is kept in the refrigerator in a specific location where responders can easily find it. One may also be kept in the automobile glove compartment. When the vials arrive, I will put in the back of the church by bulletin board.

If I Had My Life to Live Over

By Erma Bombeck

I would have talked less and listened more.

I would have invited friends over to dinner even if the carpet was stained and the sofa faded.

I would never have insisted the car windows be rolled up on a summer day because my hair had just been teased and sprayed.

I would have taken the time to listen to my grandfather ramble about his youth.

I would have burned the pink candle sculpted like a rose before it melted in storage.

I would have sat on the lawn with my children and not worried about grass stains.

There would have been more "I love you's.. more I'm sorry's"... but mostly, given another shot at life, I would seize every minute.. look at it and really see it.. live it.. and never give it back.

Don't forget to stop and smell the roses today! Take time to tell a loved one how much you love them, do something nice for yourself, and stop to give God thanks for all of it.
