Church Council will meet on Wednesday, May 16th at 7pm.

Military Biblestick: LWML is taking on the Military Biblestick mission again this year and will have a short presentation between Adult Bible Class and church next Sunday (about 9:15 am). Please come a bit early that day to help us launch this program.

We received a very touching thank you card from Tammy Warren and her family in appreciation for the benefit held at Immanuel Osman. It is posted on the bulletin board at the back of the church.

We received a thank you from the Mahomet-Seymour schools for the \$150 given to their Back-Pack program. Please see the thank-you on the bulletin board at the back of the church.

The Immanuel Osman LWML will be sponsoring a garage sale at the home of John and Debbie Lammle on May 12th, from 8-4pm. As you come into Fisher on Rt. 136, turn north on 2nd street and continue 3 blocks to Randolph St. The home is on the east side of the street at 201 E. Randolph. Items not brought today may be taken to the Lammle's on Friday or by 8am on Saturday. Thanks for all the support of this fundraiser for the LWML Zone project.

The Stewardship Committee will be sponsoring another benefit soup supper in November. If you have any ideas for a worthy recipient, please contact Dwight and Terri Hooker or Brenda Hendricks.

Please sign-up for the annual "Girls Night Out" to be held June 1st in the Fellowship Hall, beginning at 6:30pm. If you would like to help with refreshments and prizes, please mark this information on the sign-up sheet, along with the number of guests you are inviting. You won't want to miss this fun evening of bunco, refreshments, and "catching up" with old and new friends!

The Osman LWML has "adopted" a family to help throughout the year. This single mother from Bellflower has 5 children and needs our support. Thanks for the outpouring of love to this family already. If you still want to help, a list of sizes for the children is on the elder's pew. If you wish to give a financial donation, please make your checks to "Immanuel Lutheran LWML", and place in the LWML donation box found on the elder's pew. Remember-"Whatsoever you do to the least of my brothers, you do unto Me." Matthew 25:40

Commemorative 125th Anniversary Ornament: Please sign up for an ornament commemorating our 125th anniversary. A sample ornament is located by the "sign up" board at the back of the church. Ornaments may be displayed on a hanger, your Christmas tree, or wherever you like. Cost is \$5.00 per ornament and \$5.00 per hanger. Thank you! Commemorative Committee

Osman Wi-Fi: The Osman Wi-Fi code for "OsmanChurch(public)" is "romans1017".

Prevent Skin Cancer

Follow these tips to protect your skin from the sun's damaging ultraviolet rays and reduce your risk of skin cancer.

- Seek shade when appropriate, remembering that the sun's rays are strongest between 10am and 2pm.
- Wear protective clothing such as lightweight long-sleeved shirt, pants, and a wide-brimmed hat and sunglasses when possible.
- Generously apply a broad-spectrum, water-resistant sunscreen with an SPF of 30 or higher. Broad-spectrum sunscreen provides protection from both UVA and UVB rays. Use sunscreen even on cloudy days. Apply enough sunscreen to cover all exposed skin.
- Apply sunscreen every 2 hours or after swimming or sweating.
- Use extra caution near water, snow and sand as they will reflect the rays of the sun and increase your chance of sunburn.
- Avoid tanning beds. Ultraviolet light can cause skin cancer and premature skin aging.
- Consider using a self-tanning product. Continue to use sunscreen with it.
- Perform regular skin self-exams to detect skin cancer early, when it's most treatable and see a board-certified dermatologist if you notice new or suspicious spots on your skin, or anything changing, itching, or bleeding.

The ABCDE's of skin exams for melanoma:

- A. Asymmetry.** One half is unlike the other half.
- B. Border.** An irregular, scalloped or poorly defined border.
- C. Color.** Is varied from one area to another; has shade of tan, brown, or black, or is sometimes white, red, or blue.
- D. Diameter.** Melanomas are usually greater than 6mm(the size of a pencil eraser) when diagnosed, but can be smaller.
- E. Evolving.** A mole or skin lesion that looks different from the rest or is changing in size, shape or color.
