Announcements

A Prayer for Pentecost: Come Holy Spirit come! Let Thy bright beams arise; Dispel the sorrow from our minds, the darkness from our eyes. Dwell therefore in our hearts; our minds from bondage free; Then shall we know and praise and love, The Father, Son, and Thee. Amen

The flowers on the altar today are given to the glory of God by Rick and Jill Hardesty in honor of their 25th wedding anniversary.

Thanks to everyone who helped move pews last Sunday and through the week so the carpet could be cleaned in the church.

Today is the last day to sign up for the "Girls Night Out". The event is Friday, June 14th, beginning at 6:30pm in the Fellowship Hall. All ladies are invited for an evening of fun, fellowship, and food! Hope to see you there!

Church Council will be June 19th at 6:30pm.

I will be attending the 38th Biennial National Lutheran Women's Missionary League Convention in Mobile, Alabama, from June 19-24. I will be participating in the Mission in Motion Pledge Walk as part of the convention. If you wish to donate to support the chosen grants for 2019-2021, please make checks payable to LWML and write MOTION on the memo line. The deadline for giving me donations is Monday, June 17. I hope you will be a part of the larger mission of spreading God's Word around the world. Thank you! Brenda Hendricks

The confirmation class will be having a review session for all members of the class on June 23rd and June 30th beginning at 8am in the Fellowship Hall. Please come with your catechism books and bibles and be ready to review everything learned this year.

2019 Bible School is being discussed and we need someone to be the Director this summer. If anyone would like to help with that position, please let Pastor or Chairman Hardesty know.

Lifetouch Pictorial Directory: It is now time for us to start scheduling your personal and family portraits for the 2020 Immanuel Church pictorial directory that will be ready for the celebration next year. The sign-ups will continue after church each Sunday through July 7th. The dates for pictures are July 19th from 2pm until 9pm and July 20th from 9:30am until 4pm. Please check with your family members and calendars to help us get this project up and running. Sign up early so that you can get the date and time that works best for you! Please note also that there is a 20% discount for Military and Senior citizens beginning at age 60 years of age. Thanks!

The next LWML meeting will be held on June 13th beginning at 7pm in the fellowship Hall. Please see Debbie Lammle if unable to attend, so you can get a copy of the proposed by-laws for the combined Ladies Aid/LWML organization. Marsha Warsaw has topic and Brenda Hendricks has refreshments. All ladies of the church are invited!

The LWML is continuing their fundraiser for the "Pregnancy Resource Center" in Champaign through Father's Day. Just pick up a baby bottle after church and fill it with your change, cash, or check and return by June 16th to the elder's pew in the church. Your generous donations go directly to the women and children in our community. Remember: "Children are a gift from the Lord, they are a reward from Him...."Psalm 127:3. **"Take a bottle today, change a life tomorrow!"**

"Worship Anew" - Know someone who can't get to church? Lutheran Ministries from Concordia Theological Seminary produces "Worship Anew". It airs locally on WCIX-49 on Sunday mornings at 7:30am.

Osman WI-Fi: The Osman Wi-Fi code for "OsmanChurch(public)" is "romans1017".

Allergies, Part 1

Most allergies are caused by pollen, dust, and other things in the air. You can often find the cause of an allergy by noting when symptoms occur:

- Symptoms that happen at the same time each year are often caused by mold spores or by tree, grass, or weed pollen. You are most likely to have problems during spring, early summer, or early fall.
- Allergies that last all year may be caused by dust, dust mites, cockroaches, different kinds of mold, or animal dander.
- An animal allergy is often easy to spot. Your symptoms clear up when you stay away from the pet or its bedding.

Allergies to pollen often cause hay fever. You already know the symptoms: itchy watery eyes, sneezing, runny, stuffy, or itchy nose and fatigue. You may get dark circles under your eyes.

Home treatment

Decongestants and antihistamines may help with some allergies. Talk with your provider on what is best for you. Read the medicine label. They may not be safe for people with certain medical conditions or with other medications. Avoid the allergen whenever possible.

For seasonal symptoms caused by pollen or mold spores.

- Avoid outdoor work that stirs up mold and pollen. If you must be outdoors working, wear a mask and take an antihistamine before starting. Remember to check the label. Shower and change clothes when done.
- Keep your house and car windows closed. Do not open your bedroom windows at night.
- Limit the time you spend outside when pollen counts are high.
- Wash dogs and other pets often, or leave them outside. They can bring lots of pollen into your house.

For year-round symptoms caused by dust or dust mites:

- Keep your bedroom and places you spend a lot of time as dust free as possible. Remove dust collectors such as wall hangings, knickknacks, and artificial flowers.
- Dust and vacuum 1-2 times a week. Consider wearing a mask. Damp mop tile, wood, or stone floors.
- Try not to use carpets, upholstered furniture, and heavy drapes. Vacuum cleaners don't pick up dust mites. Use leather, vinyl, or plastic furniture that you can wipe clean and small rugs that can be washed.
- Cover your mattress, pillow, and box spring with dust proof cases, and wipe them clean weekly. Wash bedding in hot water once a week.
- Use an air conditioner so windows can be kept closed.
- Use an air purifier with a High Efficiency Particulate Air (HEPA) filter. Consider renting one to see if it helps.

- Change or clean heating and cooling system filters often.

To continue next week with other allergies, treatments and warning signs with symptoms.

Remember to cough and sneeze in the bend of your elbow or into your sleeve or shirt if no tissue. Wash hands or use sanitizer often. As Pastor McPike summed up: a person with allergies is not contagious but sanitary practice is still important for other reasons.

Thank you for your continued support. Susan Miller parishnurse@osmanlutheran.org
