Announcements

The Altar Flowers today are given to the glory of God by Allen, Mary Lou and John in honor of Wilma Grussing's 90th birthday.

Dedication of the beautiful green paraments on the altar and matching stole will be held TODAY. This addition to our altar was given by the Henriksen family, Erik, Alicia, and Niel in memory of their father Harry Henriksen, who passed away July 1, 2018. Thanks to the Henriksen's for this thoughtful gift!

The congregation wishes to thank Phil Brendel for the generous gift of flowers to those attending his wife Kathy's memorial service as well as church the next day. Since Kathy was an avid flower gardener, Phil wanted her love of flowers to be passed on to others. We will see the flowers growing and think of Kathy's kind, generous ways!

Congratulations Proud Parents/Grandparents! With joyful hearts we introduce Clara Grace Zimmerman who was born on July 4, 2019. She weighed 7 pounds 7 ounces and was 19.5 inches long. Proud parents are Eric and Joy Zimmerman and big sister, Luella; proud grandparents are Myron and Janet Zimmerman and great grandma is Arnita Zimmerman. May God keep them all in His continual care.

Church Council will meet July 17 at 6:30pm in the Hall.

The big weekend for directory pictures is finally here - Friday and Saturday, July 19th and 20th. Please arrive a few minutes early for your scheduled appointment. The Quarterly Voter's meeting will be Sunday, July 21 after services.

Storage Shed Clean Out: The storage shed is full and needs to be cleaned out. Several items in there were from when we had a summer vicar. Since it doesn't look like we will be having them anymore, we need to clean out. If you donated items and want them back, please do so by August 7th. If you donated items and don't want them back, we will donate them to a good will store. If you have any questions, please see a council member. Thanks!

Please mark your calendars for the Annual Church Picnic on **Sunday, August 11th**. We'll have the church service in the Sanctuary then go over to the Hall for lunch. Hamburgers, Hot Dogs, and drinks will be furnished by the church council. It'll be a great day for fun and fellowship! Everyone please bring a dish to pass and your table service for the potluck! Hope to see everyone there!

"Worship Anew" - Know someone who can't get to church? Lutheran Ministries from Concordia Theological Seminary produces "Worship Anew". It airs locally on WCIX-49 on Sunday mornings at 7:30am.

Osman WI-Fi: The Osman Wi-Fi code for "OsmanChurch(public)" is "romans1017".

There are many things we want to pass on to our loved ones, illness is not one of them.

You want to pass on family traditions, a grandmothers quilt, or dad's love of books — but no one wants to pass on a serious illness. Take charge of your health and protect those around you by asking about vaccines at your next provider's visit.

Vaccinating our children is commonplace in the U.S. But few know they need vaccines other than the flu vaccine and even fewer are fully vaccinated. Are you one of the millions of adults not aware of the vaccines you need?

Each year, tens of thousands of adults needlessly suffer, are hospitalized, and even die as a result of diseases preventable by vaccines. Not only can vaccine preventable diseases make you very sick, you may risk spreading the disease to others. Infants, older adults, people with weakened immune systems (like those undergoing cancer treatment) are especially vulnerable to infectious diseases. They are also more likely to have severe illness and complications if they do get sick. You can help protect your health and the health of your loved ones by getting your recommended vaccines. Adults can get vaccines at doctors' offices, pharmacies, workplaces, health clinics, and health departments.

What vaccines do you need? All adults should get:

- Annual flu vaccine
- Td/Tdap to protect against tetanus, diphtheria, pertussis.

Some additional vaccines you may need:

- Hepatitis A
- Hepatitis B
- Human Papilloma Virus (HPV)
- Meningococcal
- Pneumococcal
- Shingles

Traveling overseas? There may be additional vaccines you need depending on the location.

Some travel related vaccines are a part of a series or are needed months prior to your travel to be most effective, so be sure to plan ahead.
