Welcome in Jesus' Name

Lutherans believe that Jesus Christ is present in the Sacrament so that we receive His true body and blood along with the bread and wine (Mark 14:22, 24; 1 Corinthians 10:16). We further believe that in this Sacrament, we receive the forgiveness of sins (Matthew 26:28) and strength to live an improved Christian life (Galatians 2:20). A worthy communicant is one who is truly repentant of his/her sins and who resolves to amend his/her life (1 Corinthians 11:28). Furthermore, this Sacrament is not only a communion with Christ (Matthew 18:20; 1 Corinthians 10:16), but also with one another (1 Corinthians 10:17; Acts 2:42). Those desiring to commune with us for the first time should register with the pastor in his office BEFORE the service begins.

Announcements

The flowers on the Altar this morning are given to the glory of God by Don and Connie Warsaw in celebration of their 50th wedding anniversary on November 22.

The confirmation students will meet with Pastor McPike after service TODAY.

Our deepest sympathy is extended to the Nick Haggin family in the death of Nick's father, Joseph Haggin of Arlington Heights on November 11th. May God give them peace and comfort during this difficult time.

Church Family,

Thank you for all your cards, thoughts, prayers and kind words for the loss of my brother, David. It is comforting to belong to such a wonderful church in our time of grief. God's blessings to everyone.

Dwight and Terri Hooker

Thank you to all the members who volunteered in a variety of ways for the Benefit Soup Supper on Saturday, November 9. Six volunteers peeled potatoes and set up tables and chairs a few days before the supper. On the evening of the supper there were nineteen volunteers who helped with serving, waiting on tables, replenishing the food supplies, and washing dishes. Many thanks to the cooks and bakers who made the food for the 124 hungry attendees. It was indeed a great outreach project for our congregation. We collected \$2183 from the freewill offering (to this date) for our recipient, Megan Thompson. The money will help with expenses for Megan's experimental treatment which began this week in the state of Virginia. The groceries were purchased with a \$250 Thrivent Action Team Card which was applied for by Dwight Hooker. It was a great evening of delicious food and fellowship as "our team of volunteers" worked together to help someone in need in our community.

Pie plates, pans, and other containers that members brought food in to the benefit are on the back elder pew. Please pick yours up today.

Thanks to Dwight and Terri Hooker, Brenda Hendricks, and Bryan Warsaw for serving the left-overs from the Benefit supper after church last Sunday.

Choir Practice: There will be NO choir practice on November 20 or November 27. Happy Thanksgiving and see you in December.

The Confirmation Teacher's meeting scheduled for November 20th will be rescheduled to a later date.

Church Council will meet Wednesday, November 20 at 6:30pm in the Fellowship Hall.

Please sign up TODAY for the Thanksgiving Meal on November 24th, beginning at 5:45pm. The meat, hot dishes, drinks, and table service will be provided. Please sign up to bring a salad or dessert to add to the meal. The Thanksgiving Service will begin at 7pm. "Let us come together to thank God for all that He has done!"

"Worship Anew" - Know someone who can't get to church? Lutheran Ministries from Concordia Theological Seminary produces "Worship Anew". It airs locally on WCIX-49 on Sunday mornings at 7:30am.

“You’ll shoot your eye out.” Choosing Safe Toys

The American Academy of Ophthalmology urges parents and others to avoid buying toys that can cause serious eye injury and blindness. According to the U.S. Consumer Product Safety Commission an estimated 251,700 toy related injuries were treated in U.S. emergency rooms in 2017. Almost half of those injuries were to the head. Unfortunately most of these injuries happened to children under age 15. It’s important to think about the safety of any gift you’re giving, especially if it’s a gift for a child.

Top Toy Safety Tips

- Avoid purchasing toys with sharp, protruding, or projectile parts.
- Make sure children have appropriate supervision when playing with potentially hazardous toys or games that could cause eye injury.
- Ensure that laser product labels include a statement that the device complies with 21 CFR (the Code of Federal Regulations) Subchapter J.
- If you give a gift of sports equipment, also give the appropriate protective eyewear with polycarbonate lenses. Check with your ophthalmologist to learn about protective gear recommended for your child’s sport.
- Check labels for age recommendations and be sure to select gifts that are appropriate for a child’s age and maturity.
- Keep toys that are made for older children away from younger children.

If your child experiences an eye injury from a toy, seek immediate medical attention from an ophthalmologist. The good news is that most eye injuries can be easily prevented by following a few safety tips.
