

Those Assisting Us Tonight

Organist: Alicia Haggin

Elder: Chase Zimmerman

Altar Guild: Susan Martin

With new state CDC guidelines in effect, our policy is that masks are recommended, but not required. We still prefer that the members space apart in the pews. Communion procedures will be the same.

In the last few weeks the church cancellation phone call list needed to be used to notify members of the cancellation of church due to icy parking areas. There were some phone numbers that were not correct and have obviously been changed since the printing of the last church directory. If you have a change in your phone number, please notify Rick Hardesty so updates can be made.

Liturgy – page 194 – 198 Communion Distribution

Distribution: Masks are recommended. Communion for those outside in cars will still be the first part of the Communion distribution. The distribution will take place with the elder and pastor going out the front door and meeting the cars as they pass by the front sidewalk. Communion for those seated inside will follow. Communicants will be ushered to the FRONT of the church by households. Once they have communed, they will return to their pews by the outside aisle. The service will then end with the Communion Liturgy.
